

# LCD Touch Screen Protectors

Protect your Autocaster Ultra or Batchmaster touch display from damage from tools, dust and uncured matrix with these tough, durable and replaceable LCD screen protectors.

Now you can protect your valuable Autocaster or Batchmaster LCD touchscreen with these tough, durable screen protectors from Gruber Systems.

Keep your touch screen like new with these tough, durable screen protectors. Prevent the buildup of matrix and dust, and avoid inadvertant damage from metal tool scrapes and scratches.

Extend the lifetime of your expensive Touchscreen and keep it looking like new with one of these shields!

- Long lasting protection against dust, scratches and gouges.
- Abrasion and chemical resistant to protect the LCD screen. Now clean matrix off the screen protector with acetone!
- Anti-glare film provides added screen contrast and brilliant colors.
- Installs easily, removes cleanly without leaving residue.
- Filters out 99% of UV light from reaching your screen or reflecting to your eyes.

Reduce expensive service calls and system downtime by protecting your LCD Panel touchscreen from scratches, nicks, and other damage that can and will occur in an industrial environment!
